MANI GANJI

Industrial Area Nalgonda

7989518691 | ganjimani467@gmail.com

Objective

I seek challenging opportunities where I can fully use my skills for the success of the organization.

Experience

- **Symbiosis AI**   Aug 2024 - Present
  Web developer Intern
  As a web development intern, I had the opportunity to work on various projects, honing my skills in front-end and back-end development.
  - Developed responsive web applications using HTML, CSS, JavaScript, and PHP.
  - Designed and implemented databases using MySQL.
  - Collaborated with cross-functional teams to deliver projects.

- **Yhills**   Aug 2023 - Jan 2024
  Machine learning Intern
  Contributed to the development of a predictive model using Python and scikit-learn, achieving an accuracy of 90% in forecasting customer churn
  - Implemented data preprocessing techniques, feature engineering, and model evaluation methods to improve model performance
  - Worked with large datasets, including data cleaning, visualization, and feature selection using Pandas, NumPy, and Matplotlib

Education

- **JNTUH UNIVERSITY COLLEGE OF ENGINEERING JAGTIAL**   2024
  Bachelor's in Computer Science and Engineering (Accredited by Naac)
  8.5/10

- **Pragathi Girls Junior College**   2020
  Intermediate
  986/1000

- **Narayana High School**   2018
  SSC
  10/10

Skills

- Programming languages : python I SQL
- Operating Systems : Windows
- Web Technologies: HTML , CSS
- Core Subjects: Data Structures and Algorithms, DBMS

Projects

- **Snag list tracker**
  - Developed a web-based snag list tracking system using HTML, CSS, JavaScript, PHP, and MySQL.
  - Features:
    - Image uploading and annotation functionality.
    - Dynamic image display with zoom and pan capabilities.
    - Database storage for images, annotations, and user data.
- **Heart Disease Prediction using Machine learning**

  Developing a Model which analyses all the inputs by using various machine learning algorithms and predicting whether a person is going to have heart disease or not in future

Certifications

- Hacker Rank certified in Python Programming
- Hacker Rank certified in SQL
- Internship Completion certificate in Yhills(Machine learning)
